You can definitely see the signs that spring has sprung even with the long winterish weather we have had lately. Flowers are pushing themselves through the hard winter's dirt, birds are singing and are looking for places to build nests. It has been a long winter so please try to get out and about and enjoy the sunshine as well as the outings that are scheduled.

I am looking forward to all the spring activities this season has to offer, one of which will be our annual **Mother's Day Tea**. This will take place on Sunday, May 6th from 2pm to 4pm. There will be snacks, drinks and entertainment.

ALL residents are invited. Please invite any friends or family that you would like to attend.

Please reply by May 1st if you are planning to attend. Thank you.

Wendy

City Wide Spring Cleanup
