There are some wonderful activities planned for February & March so be sure to look through the newsletter and activities calendar for the events. We will celebrate Mardi Gras & St. Patrick's Day with wonderfully prepared feasts and Valentine's Day with a party. If you have any ideas or people you think would be guest speakers, musicians or artists, please let me know – we're always looking for new ideas and people to visit us!

Please be mindful that this is cold and flu season and use hand sanitizer when you come into the building. If you have symptoms of any illness, please be sure you are not contagious before coming in. Thank you for your cooperation.
