Welcome Heartland!

Exciting News!

Sandstone Senior Living has now taken on new ownership, yielding a name change to Heartland Senior Living! We are now a part of the well-known company, Heartland Home Health & Hospice family.

Heartland Senior Living is owned by Jesika Floyd, Callie Hulm, and Lacey Hedin.

Jesika Floyd has owned/operated as the Administrator for 5 years at Heartland Home Health & Hospice. She began her career in elderly care in 2014 with a small independent elder facility in Buffalo, SD. She resides in Belle Fourche with her family.

Callie Hulm has served as RN for Heartland Home Health for five years, 4.5 of those years being in the RN leadership clinical manager position for Home Health. Prior to Heartland, Callie served as a RN on med surg floors and surgical settings. She resides in Belle Fourche with her husband and three little boys.

Lacey Hedin has been with Heartland Home Health & Hospice for two years and has played an essential part in developing the Heartland Hospice program the past year. Her background is flight nurse/trauma, emergency room, and Med-Surg leadership roles. She has two grown boys and now lives in Belle Fourche with her husband and two pups.

As a trio team, Jesika, Callie, and Lacey each bring different strengths and could not be more excited to be part of the Heartland Senior Living family. Everyone is ecstatic to see what blossoms at Heartland Senior Living, LLC!
